## Mennonite Central Committee (MCC)

### About Mennonite Central Committee:

Mennonite Central Committee (MCC), a worldwide ministry of Anabaptist churches, shares God's love and compassion for all in the name of Christ by responding to basic human needs and working for peace and justice. MCC envisions communities worldwide in right relationship with God, one another and creation.

**Priorities:** MCC's priorities in carrying out its purpose are disaster relief, sustainable community development and justice and peace-building.

**Approaches:** MCC approaches its mission by addressing poverty, oppression and injustice – and their systemic causes; accompanying partners and the church in a process of mutual transformation, accountability and capacity building; building bridges to connect people and ideas across cultural, political and economic divides; and caring for creation.

**Values:** MCC values peace and justice. MCC seeks to live and serve non-violently in response to the biblical call to peace and justice.

MCC values just relationships. MCC seeks to live and serve justly and peacefully in each relationship, incorporating listening and learning, ac-

countability and mutuality, transparency and integrity.

**Convictions:** MCC is part of the larger mission of the church and embraces the “Shared Convictions” of global Anabaptists,\* inspired by Anabaptists of the 16<sup>th</sup> century who modeled radical discipleship to Jesus Christ.
