About Tabor Community Services

Our Mission

To rebuild communities by helping families find housing and financial solutions.

Our Vision

To rebuild communities by serving as the recognized, premier housing and budget counseling organization in central Pennsylvania.

Our Heritage

In 1968 Tabor was founded by members of the Mennonite community to help people help themselves, assisting low-income families in managing their finances and assisting them in buying their first home. Since that time Tabor has added an array of services that help people solve their budget and housing problems.

BHMC Connection

- Steve Welch, BHMC member, is the Vice President for Finance at Tabor.
